

Safety data sheet

33xx20 Bondex Quick Drying Woodstain

1. Identification of the substance/preparation and of the company/undertaking

Product use: Woodstain. Trade name: 33xx20 Bondex Quick Drying Woodstain	Tel:+45 39 57 93 00 Fax:+45 39 57 93 93 Email: productsafety@dyrup.dk
Prepared on: 26-05-2011/ RMA Replaces: -	Dyrup A/S Gladsaxevej 300 DK-2860 Søborg
Registration number: -	Distributor:

2. Hazards identification

Additional information

According to present regulations the product does not have to be classified.

3. Composition/information on ingredients

ſ	Einecs no.	CAS No.	Substances	Classification	w/w%
			Contains no substances subject to reporting requirements.		
Please see section 16 for the full text of the R-phrases					

4. First aid measures

Inhalation

Move the affected person to fresh air and keep at rest under surveillance. If needed: get medical attention.

11. Toxicological information

Acute

Inhalation

May be irritating to respiratory system.

Ingestion

Ingestion of large amounts may cause vomiting or diarrhoea.

Skin contact

May irritate the skin.

Eye contact May irritate the eye.

Risk of sensitization

Water based products contain in can preservatives which may cause an allergic reaction in sensitized persons.

Long-term effects

See Risk of sensitivity.

12. Ecological information

Ecotoxicity

The product contains a substance, which is very toxic to aquatic organisms.

Mobility

The product is miscible with water and will be spread in the aquatic environment.

Persistence and degradability

The product contains very small amounts of substance, that are not biologically degradable.

Bioaccumulative potential

Based on the Log Kow's of the substances the product is not considered to bioaccumulate.

13. Disposal considerations

The product is controlled waste and should be disposed of in accordance with the local regulations.

EWC code: 08 01 12

14. Transport information

The product is not covered by the rules for transport of dangerous goods according to ADR, IMDG and IATA.

Dyrup A/S, Gladsaxevej 300, 2860 Søborg, Tlf.: 39 57 93 00

15. Regulatory information

Hazard designation:

Contains

According to present regulations the product does not have to be classified.

Other labelling None.

Chemical safety assessment

Chemical safety assessment has not been performed.

16. Other information

Restrictions on use None.

Training requirement

The product should only be used by people who has a thorough knowledge of this Safety Data Sheet.

Sources used

Other information

Because of the content of fungicide it is recommended that the product is only used on surfaces outdoor.

VOC EU limit value for this product (cat. A/e): 400 g/l (2010). This product contains max 5 g/l VOC.
